## ***Let's do it again!***

*Last year Ablitt's customers were responsible for adopting more families for the Salvation Army's "Adopt a Family" program than any other single group!*

We're proud of that and want to do it again.

**Please call Capt. Jill Steiner @805-964-8738 x 13**

Your family adopts one of the families that have asked The Salvation Army for help this holiday season. You will receive basic information about the family such as ages and gift preferences. You shop and wrap gifts and deliver them to 4849 Hollister Avenue by December 20 for distribution to the adopted family. Or make a cash donation to the Salvation Army Holiday Aid Program.

Thank you again.
