***Charity Navigator is America's premier
independent evaluator of charities.***

In 2004 and 2005 they ranked **Scholarship Foundation of Santa Barbara** in its "**Top Ten Slam Dunk Charities**" list and has now awarded the Foundation its highest four star rating for the third consecutive year. We think that says it all – except we do know of a local Carp. High Grad who worked her way through SBCC and with the help of the Foundation managed to graduate from UCLA (engineering) and then went on to Thunderbird for an MBA. She now runs a successful business in Santa Barbara and is giving back to the community.

Thanks Scholarship Foundation of Santa Barbara
