Save a stamp and . . .

Save some time and . . .

Maybe even save a tree . . .

We want to join the 21st century and start by upgrading our payment method to electronic billing.* If you are interested in joining us please email lorna@ablitts.com. All she needs is your email address and credit card information. In the future your statement will be emailed to you each month and charged to your credit card.

So, no more checks to write, no stamps to buy and together we're helping to reduce the amount of paper we consume.

** Of course in the meantime we're trying to figure out how we can include this insert in an electronic form as well.*
