Welcome to the neighborhood!

We're not experts on Indian cuisine, but when the *ALL INDIA CAFÉ* opened a few weeks ago at 431 State Street the word spread fast. *This is great food* and "Naan" is a delicious Indian bread. What we particularly like is the presentation with dishes served in multiple bowls – you dip the "Naan" into any one of these and the results are just delightful.

So, if you want a treat try lunch or dinner at the new,
