AN AWARD ... AN INVITATION

We're proud to announce that Santa Barbara architect Jeff Shelton has won First Prize in the 2007 Spectrum Coverings Awards (the leading global trade event for ceramic tile*) for his **"...creative and wacky use of tile in a wonderfully inventive way..."** as one of the judges put it, for his designs in the Ablitt House.

And the invitation is for *you* to tour this small, but tall work of art in the heart of Old Town – a monument to the talent of local artists and craftsmen. It's our way of saying thank you to the community for supporting the project.
