It's happening in Old Towne!

Welcome to the neighborhood - **True** gift shop and **Wahoo's** fish tacos.

True located at 535 State Street at the *Hotel Santa Barbara* features works by local artists* and other unique gifts. A few doors down at 511 State Street **Wahoo's** is now offering signature fish tacos, Wahoo Bowls and Banzai Burritos and more at great prices. So maybe it's time to visit the four, five and six hundred blocks of State Street again to experience the **happenings in Santa Barbara's dynamic and exciting Old Towne.**

It's a great place to visit and some people even get to live there.
