***This really does make us all feel good...
...Let's do it again!***

Last year Ablitt's customers were responsible for adopting more families for the Salvation Army's "Adopt a Family" program than any other single group!

We're proud of that and want to do it again.

Please call Capt. Jill Steiner at 805-964-8738 x-13

Your family adopts one of the families that have asked the Salvation Army for help this holiday season. You will receive basic information about the family such as ages and gift preferences. You shop, wrap gifts and deliver them to the Salvation Army at 4849 Hollister Avenue by December 19th for distribution to the adopted family. Or make a cash donation to the Salviton Army Holiday Aid Program.

Thank you again.
